

## **CANAAN HONEY**

176 Mosston Road Westmere Whanganui

P:021 728 889

[www.canaanhoneymy.co.nz](http://www.canaanhoneymy.co.nz)

Discover the whole process of honey production from the hive to the honey pot.

Programmes are designed to compliment the national curricula for primary school pupils. Visits are personally tailored to meet individual school requirements in timetabling arrangements.

## **CASTLECLIFF COAST CARE**

Castlecliff Coastal Reserve, Seafront Road, Whanganui

E:[pearsons@bythebeach.co.nz](mailto:pearsons@bythebeach.co.nz)

[www.coastalrestorationtrust.org.nz](http://www.coastalrestorationtrust.org.nz)

Castlecliff coast care is a community-based group focused on stabilising the castlecliff dunes with native plants while increasing biodiversity and developing community ownership through participation and education. Contact Graham and Lyn Pearson to get involved in an event or to develop a programme for your school.

## **ENVIROSCHOOLS**

E:[sarah.williams@horizons.govt.nz](mailto:sarah.williams@horizons.govt.nz)

[www.enviroschools.org.nz](http://www.enviroschools.org.nz)

Enviroschools is coordinated by Horizons regional council and is an environmental action based programme where young people are empowered to design and lead sustainability projects in their schools, neighbourhoods and country. Ron Fisher is our Whanganui Enviroschools facilitator.

## **EVE OUTDOOR DESIGN**

P:020 478 9008

[www.eveoutdoordesign.com](http://www.eveoutdoordesign.com)

EVE Outdoor Design works in schools and on projects with students to design and construct engaging, sustainable outdoor areas and habitat gardens. Qualified horticulturalists we also provide regular maintenance to ensure the vibrancy, success, and longevity of your school gardens. Please contact Rachel Stephenson in Whanganui.

## **HORIZONS REGIONAL COUNCIL**

E:[sarah.williams@horizons.govt.nz](mailto:sarah.williams@horizons.govt.nz)

[www.horizons.govt.nz](http://www.horizons.govt.nz)

Horizons Regional Council aims to create opportunities for the region to grow economically and socially in a way that preserves or enhances agreed environmental and cultural values. We offer a variety of environmental education programmes for students, and provide advice and information to teachers, such as curriculum development and teacher PD. Areas of focus tend to be in water quality and pollution, looking at biodiversity in our natural landscapes, and biosecurity (plant and animal pests) and their effect on the environment. Activities are bespoke to student age and focus of inquiry so contact the Educator to discuss your requirements. All activities are **FREE**, however, schools will need to get their students to any location outside of the school grounds.

## KI TAI - WHANGANUI RIVER TOURS

P:06 343 8229 M:022 423 2131 E:info@whanganuirivertours.co.nz  
www.whanganuirivertours.co.nz

Ki Tai Whanganui River tours enable for students to fully immerse in the natural beauties of the Whanganui river, land and people. The Ki Tai fleet consists of 6 man canadian canoes, 2 man canoes and a 20 man māori waka. Ki Tai endeavor to provide the highest quality experience, mesmerized in a depth of culture that can be experienced nowhere else but in Whanganui's magnificent paradise.

## KIWI CONSERVATION CLUB - FOREST&BIRD

E:whanganui@kcc.org.nz  
www.kcc.org.nz

For over 30 years, Forest & Bird's Kiwi Conservation Club, Hakuturi Toa (KCC) has been connecting Kiwi kids to New Zealand's amazing wildlife and wild places. KCC offer:

- Subscription to the Wild Things Magazine
- Outdoor adventures
- Great online education resources

## PARA KORE

P:021 043 1127 E:jacqui@parakore.maori.nz  
www.parakore.maori.nz

The Para Kore programme is designed to support marae, kōhanga reo, kura and community organisations to reduce waste. If you would like to be part of this zero waste kaupapa, please contact us by phone, text or email. The Para Kore team can give a presentation to your marae committee, provide waste advisors to work with your marae, deliver Para Kore wānanga to your whānau and help your marae set-up recycling and composting systems.

## SARJEANT GALLERY

38 Taupo Quay, Whanganui  
P:06 349 0506 E:info@sarjeant.org.nz

The Sarjeant Gallery's education programmes provide a variety of **FREE** educational services to Primary and Secondary schools. Programmes include a practical component and can be based on the changing exhibition programme, the permanent collection or teacher requests.

## SUSTAINABLE WHANGANUI

83 Maria Place, Whanganui  
P:06 345 6000 E:sustainablewhanganui@gmail.com  
www.sustainablewhanganui.org.nz

Sustainable Whanganui provide items to the public for repurposing crafts, hobbies and interests for a donation.

Information and education is provided from its Whanganui environment base. School programmes include:

- Zero Waste Education
- Fruit Trees in Schools
- Holiday programmes

Sustainable Whanganui host the A-Z sustainability directory found at: [www.resourcewhanganui.org.nz](http://www.resourcewhanganui.org.nz)

## **SUSTAINABLE COASTLINES**

55 Madden Street, Wynyard Quarter, Auckland  
P:021 579 983 E:info@sustainablecoastlines.org  
www.sustainablecoastlines.org

Sustainable Coastlines is a registered New Zealand charity whose mission is to enable people to look after the coastlines and waterways they love.

Sustainable coastlines deliver coastal clean-up events, educational programmes, public awareness campaigns, and riparian planting projects. Sustainable coastlines also work with volunteers, interns, ambassadors and local community groups to enable them to deliver these activities in their own communities.

## **TARAPURUHI BUSHY PARK**

791 Rangitatau East Road, Whanganui  
P:027 652 2289 E:bushyparkeducation@gmail.com  
www.bushyparksanctuary.org.nz

Nature thrives inside Tarapuruhi Bushy Park's predator-proof fence. Tarapuruhi Bushy Park's team of educators can assist learners with all aspects of biodiversity, ecology and Mātauranga Māori viewpoints. The new visitor centre, all-weather tracks, and spacious outdoor classroom allow flexibility in providing for any size group. At the wetland there are safe walkways and jetties so children can get close to the aquatic creatures.

Educators work with schools to plan and follow-up on visits and to look at ways students can take action for the environment, from growing native seedlings to predator tracking and control. Suitable for all ages.

## **THE DEPARTMENT OF CONSERVATION**

34-36 Taupo Quay, Whanganui 4500  
P:06 349 2100 E:whanganui@doc.govt.nz  
www.doc.govt.nz

The Department of Conservation offer an extensive range of education opportunities, online, in the class, in the community and on public conservation land (including Gordon Park). DOC coordinate two big community awareness events annually in Whanganui, Sea Week (usually held in March) and Conservation Week (usually held in September).

## **THE ECO SCHOOL**

223 No. 2 Line Okoia, Whanganui,  
P:06 344 5013 M:22 190 7323 E:theecoschool@gmail.com  
www.theecoschool.net

The Eco Schools goal is to make sustainability education accessible to everyone. Eco School is a 13 acre mixed-use permaculture farm focusing on permaculture and forest schooling. They offer learning experiences for professional development, school groups, adult learners, and workshops.

## WEN'S STORY DEN

P:021 184 4027 E:wenstoryden@gmail.com  
[www.facebook.com/playfulako](http://www.facebook.com/playfulako)

Wen, through the magic of story telling and the use of wonderful handmade props and instruments, shares with children the stories histories and lessons of the world. Wen works in early childhood and primary school settings to integrate storytelling to local curriculum which supports children's literacy and socio-emotional development.

## WILDBASE RECOVERY

20 Victoria Esplanade Drive, Palmerston North 4410  
P:06 356 8199 E: [infor@wildbaserecovery.co.nz](mailto:infor@wildbaserecovery.co.nz)  
[www.wildbaserecovery.co.nz](http://www.wildbaserecovery.co.nz)

Wildbase provide shelter and care for native wildlife recovering after treatment at Massey University's Wildbase Hospital. Wildbase offer a **FREE** onsite education programme which caters for children as young as preschoolers up to the early high school years.

Age: Preschool up to year 9, International learners of all ages

Time: Monday - Friday, 10am to 12:30pm

Length: 1 - 2 hours, the programme maybe timed to suit your needs

## WHANGANUI REGIONAL MUSEUM

Queens Park, Watt Street, Whanganui  
P:06 349 1110 E:[info@wrm.org.nz](mailto:info@wrm.org.nz)

Whanganui Regional Museum offer hands-on interactive education programmes. Experienced educators use Museum exhibitions, collections and the local environment to support learning across a variety of curriculum areas. Content is tailored to class level and preferred learning outcomes, can be delivered in either Māori or English, and incorporate bicultural perspectives where relevant.

## WHANGANUI RESOURCE RECOVERY CENTRE

79-83 Maria Place Extension, next to the Fire Station  
P:06 348 7950 E:[enviro.educator@wrrc.co.nz](mailto:enviro.educator@wrrc.co.nz)  
[www.wrrc.co.nz](http://www.wrrc.co.nz)

The Whanganui Resource Recovery Centre have educators available to cater for all ages with curriculum-based lessons at the Maria Place recycling facility in the Harakeke Classroom. Each visit includes a tour of the recycling facilities, looking at what happens to recycling and talking about ways we can reduce the waste sent to landfill. WRRC also run re-purposing holiday workshops.

## ZERO WASTE EDUCATION

[www.zerowasteeducation.co.nz](http://www.zerowasteeducation.co.nz)  
P:07 213 0710 E:[office@zerowasteeducation.co.nz](mailto:office@zerowasteeducation.co.nz)

Zero Waste Education is funded by the Whanganui district council and is **FREE**. Zero waste enables children to investigate the link between the earth's natural resources, the products they use and see around them and the resulting waste (natural resources we no longer want) that pollutes our environment. The Whanganui based Zero Waste educator is Hadi Gurton.
